To,

MePDCL, Byrnihat.

**Sub: Inclusion of "Additional Units" to the electricity bills of Edison Lyngdoh, Baridua  
(Consumer Id.: 1000861230).**

Sir,

This is to inform you that the office of the undersigned has inspected the metering unit at the premises of Edison Lyngdoh bearing Cons. Id: 1000861230 and found that a part of the load bypassed the meter. Since the seal Nos. 11109265/22002019 are intact and as per spot investigation from the consumer, it may be concluded that the act of bypassing the meter was intentionally done by the Smart Metering Contractor on the assumption that the installed sub meters (3 nos of sub meters) are registered meters.

In light of the above and since section 135 of the Electricity Act, 2003 cannot be applied to this consumer, to compensate for the loss of energy to MePDCL on account of wrong connection done by the Smart Metering Contractor, **814.70 kWh** of additional units may please be added to the electricity bill of this consumer and be included in the Bill cycle of April, 2025.

This is for your kind information and necessary action.

Encl. Consumption Statement

Yours faithfully,

(Fullmoon L. Kynshi)
