

Agreement for supply of electricity Low Tension

An agreement made this the 28 day of Dec of 2023 between _____ and his successor and assigns (hereinafter referred to as the consumer) of the one part and the Meghalaya Power Distribution Corporation Limited an electricity distribution licensee under the EA, 2003 and its successors and assigns (hereinafter referred to as the Distribution Utility / MePDCL) of the other part:

Note: the term 'consumer' includes an individual person (whether male or female), a body of persons, a company, society, firm, association or organisation.

Whereas, the consumer has applied to the distribution utility for supply of electricity to the premises and the distribution utility has agreed to give the supply under the terms and conditions hereinafter appearing:

Now, therefore, the agreement witness -

- (1) That the supply shall be given to the premises located at Warden Mission with the consumer as owner / occupant of.
- (2) That the supply shall be for the purpose of D.L.T
The load whereof shall not exceed 25KW watts
- (3) That the provisions of the EA 2003 and the regulations, code and orders including tariff orders, as may be made from time to time by the MSERC shall apply and bind the consumers and the distribution utility alike,
- (4) That the consumer shall regularly and timely pay to MePDCL all charges as may be due for the supply of electricity.
- (5) That the agreement shall be a period of two years and may be renewed for a further period.
Provided that supply shall not be terminated by mere efflux of time if the consumer is willing that the agreement is renewed,
- (6) That the agreement shall be terminated if the consumer on its part desires it so and gives to the MePDCL a prior notice of not less than one month or, on the part of the MePDCL, if the consumer has violated any of the terms and conditions of the agreement.

Provided that on the part of the M&PDCL notice shall be given to the consumer stating the reasons for the proposed termination and giving him opportunity to state his case and his statement, if any duly considered before the agreement is terminated and the supply of electricity cut off.

(7) The terms and conditions of this agreement shall be effective from the date of supply of electricity is commenced.

IN WITNESS WHEREOF the parties hereto have set their hands and seals the date, month and year first above written.

1. The load has been arranged as follows:

Details of load	Wattage of each item	Phase I		Phase II		Phase III		Total wattage of all 3 phases
		No. of points	Total wattage	No. of points	Total wattage	No. of points	Total wattage	
1. Light points								
(i) Fluorescent	60W	2	120W					
(ii) Incandescent								
(iii) CFL LED	15W	4	60W					
(iv) Halogen								
(v) Others								
2. Fan points								
3. Plug points								
(i) 5 Amps	180W	5	900W					
(ii) 15 Amps	1080W	1	1080W					
4. Electrical gadgets								
(i) Water Heater (Geyser)								
(ii) Refrigerator								
(iii) AC								
(iv) Others								
5. Welding transformer								
6. Motor								
Total			1660					
In case of load enhancement existing load (in watts)								
Total load in the premises (in watts)			2400					

Notes:

- Details of any apparatus other than the above mentioned should be given.
- Rating of capacitor used in induction motor and welding Transformer (Test report of capacitor is to be enclosed)
