Sivaji Shilp P. Ltd District, no. one has an  
illegal programing in the P. Dantewadi factory during  
which the workers were beaten, injured, and  
abducted by the factory workers. The workers  
had been paid less than the minimum wage

and it is also being reported in the media and  
the government has to take action to stop such  
kind of illegal programing in the factory.

In this connection, I would like to thank  
you for your kind attention.

- 1 - What is the reason for the factory to be closed  
and the workers to be released?
- 2 - Why is the factory being run by the Republic
