

6-10-2017

Agreement for supply of electricity Low Tension

An agreement made this the 02 day of 12 of 2017 between _____ and his successor and assigns (hereinafter referred to as the consumer) of the one part and the Moghaleys Power Distribution Corporation Limited an electricity distribution licensee under the EA, 2003 and its successors and assigns (hereinafter referred to as the Distribution Utility / MePDCL) of the other part.

Note: the term 'consumer' includes an individual person (whether male or female), a body of persons, a company, society, firm, association or organisation.

Whereas, the consumer has applied to the distribution utility for supply of electricity to the premises and the distribution utility has agreed to give the supply under the terms and conditions hereinafter appearing;

Now, therefore, the agreement witness -

- (1) That the supply shall be given to the premises located at Ward J.P. with the consumer as owner / occupier of,
- (2) That the supply shall be for the purpose of D.T.
The load thereof shall not exceed 2Kw watts
- (3) That the provisions of the EA 2003 and the regulations, code and orders including tariff orders, as may be made from time to time by the MSERC shall apply and bind the consumers and the distribution utility alike.
- (4) That the consumer shall regularly and timely pay to MePDCL all charges as may be due for the supply of electricity.
- (5) That the agreement shall be a period of two years and may be renewed for a further period.
Provided that supply shall not be terminated by mere efflux of time if the consumer is willing that the agreement is renewed.
- (6) That the agreement shall be terminated if the consumer on its part desires it so and gives to the MePDCL a prior notice of not less than one month or, on the part of the MePDCL, if the consumer has violated any of the terms and conditions of the agreement.

Provided that on the part of the MePDCL notice shall be given to the consumer stating the reasons for the proposed termination and giving him opportunity to state his case and his statement, if any duly considered before the agreement is terminated and the supply of electricity cut off.

- (7) The terms and conditions of this agreement shall be effective from the date of supply of electricity is commenced.

IN WITNESS WHEREOF the parties hereto have set their hands and seals the date, month and year first above written.

Abstract: *Chlamydia trachomatis* is the most common bacterial sexually transmitted infection (STI) in the United States. The purpose of this study was to determine the prevalence of *C. trachomatis* among patients with STIs in a tertiary care hospital. A cross-sectional study was conducted in the STI clinic of a tertiary care hospital. All patients with STIs were screened for *C. trachomatis* using a polymerase chain reaction (PCR) assay. The prevalence of *C. trachomatis* was 11.2% (95% CI 7.8–15.6%). The prevalence was significantly higher among patients with STIs than among patients without STIs (11.2% vs. 1.8%, $P = 0.001$). The prevalence of *C. trachomatis* among patients with STIs was 11.2% (95% CI 7.8–15.6%).
