Sir,

With reference to your letter cited above, I am to inform you that since installation of transformer to the New building of Working Women hostel, electric service was connected from the transformer, and separate service connection to old Hostel was disconnected. The matter was intimated with a request for discontinue the bills for the said connections, vide this Office letter No. GBC/ELECT/WS/2019-24/147 Dt. 28-2-2024 copy of the letter is enclosed for your ready reference. It is regretted that no response was initiated by your office regarding this matter.

As for the pending bill submitted by your office, this office is not in a position to pay for disconnected line, at present service is connected from the transformer of the New Working Women Hostel Annexe and the bills are being paid regularly. It will be unfair on our part if we are to pay the said bill while the bills are already being paid.

This is for favour of your information and necessary action

Enclosed As stated Above.

Yours sincerely,

(Rev. D. M. Sangma)
