**Sub: Request to include Additional Unit into the electricity bill of Catholic Church (Cons. ID: 1000198364), Nongsder, Nongsder Village #3121201000.**

Sir,

This is to inform you that due to migration of billing software from the earlier UGO Billing system to Idea Billing system in August, 2024, since this period, the energy consumption of **Catholic Church (Cons. ID: 1000198364), Nongsder, Nongsder Village #3121201000** was billed on Provisional (inaccessible) basis due to which only the FC component was billed for 378 days resulting into energy loss to MePDCL. Corrective action (Meter replacement) was undertaken by this office on the 21-08-2025.

In view of the above and to recover for the revenue loss to MePDCL due to Provisional Billing for the period w.e.f 03/AUG/2024 to 16/AUG/2025 (378 Days), 1452.00 kWh (or 1613.00 kVAh) of Additional Units may please be included into the electricity bill of Catholic Church, Nongsder preferably be included along in the bill of February, 2026.

This is for your kind information and necessary action.

Encl. Assessment of Additional Units

Yours faithfully,

*Since the old meter was kept at unreachable height, MR had no other option than prov (inaccessible) bill.*
