

To,

The assistant executive Engineer.

Investigation and enforcement sub-division

MEPDCL, Shillong.

Subject: Load Reduction and categories change of consumer no.
1000739360

Sir,

With reference to the subject cited above, I the undersigned and electricity on user bearing a consumer Id. **1000739360** would like to request you to please reduce the connected load from **20 KW to 6 KW** and change the categories from **C.L.T to D.L.T** as I have recently reduced the number of connected electrical appliance in my house and use only as a domestic purpose.

In this regard, you may please physically inspect my house for better assessment of actual connected load and categories purposed.

Forwarded to
Rev. NSD. Sig, As per findings on inspection the premises was not in
used for this period and is dismantled but the consumer wants to
retained the load of 6KW as DLT for a residential house will
come up in few months from now. Load may be
reduce to 6KW DLT as the demand found in the
apt is '0' KW.
