Sub - Request for transfer of Electricity Connection Ownership.

Respected Sir,

Apropos to the subject cited above, I have the honour to inform you that I have a plot of land at Araimile Junction, which I have rented earlier to State Bank of India and subsequently the bank took an electricity connection vide consumer ID 1000693272 under their name which is profoundly active till date. That, at present the previous tenant have vacated the said property and now it has been rented out to a retail store of hardware under the name "Hardware and Sanitary Hub" located at Aarimile. I, now therefore formally request you to kindly transfer the ownership of the electricity connection to the new tenant under the name "Hardware and Sanitary Hub". Further, I also undertake to pay any pending dues with regard to the earlier electricity connection. Lastly, I would also like to request the department to cancel the previous electricity connection of 18 Kilo Watt and give a new connection of 4 Kilo Watt only.

Thank you for your prompt attention to this matter.

Yours Sincerely
