**Subject : Change of Electricity Connection.**

Sir,

With reference to the subject cited above, I would like to state as follows :

That recently I have dismantled my old house to which the said electricity connection was provided. And now I have shifted to my new house and am living in it in this same village of ours.

That in view of the facts stated above, I request you kindly to have the electricity connection changed from my old location to my new house.

An early action in the matter is highly appreciated.

**Thanking You**
