(Address)

In Ow PAT SHILLOMA:

Is duly completed, tested, additional / new electric installation at the premises of which will be additional / new electric installation at the premises of which will be additional / new electric installation at the premises of which will be additional / new electric installation at the premises of which will be additional / new electric installation at the premises of which will be additional / new electric installation at the premises of which will be additional / new electric installation at the premises of which will be additional / new electric installation at the premises of which will be additional / new electric installation at the premises of which will be additional / new electric installation at the premises of which will be added to the premise of the premise of which will be added to the premise of th

is duly completed, tested and is ready for your authorized representatives to test and connect on your main line.

I. The load has been arranged as follows:-

Details of Load	Wattage	Pha	se- I	Pha	se- II	DI		
	ofeach	No. of	Total	No. of	Total	No. of	e- III Total	Total watt
1. Light points	item	points	watt	points	watt	points	watt	phases
(i) Fluorescent								
(ii) Incandescent								,
(iii) CFL								
(iv) Halogen								
(v) Others								
2. Fan Points								
3. Plug points (3-	. 5.							
pin)				1				
(i) 6 Amps (ii) 16 Amps	1000 mx 2		2000-					
(II) To Amps	(00)							
4. Electrical		1						
gadgets								
(i) Water Heater	-	7. 10						
(Geyser)								
(ii) Refrigerator								
(iii) Air Conditioner								
(v) Others								
5. Welding								
Transformer								
6. Motor								

Total	2000 W			
In case of load enhancement	10000"	<i>:</i> '	_	
Existing load (in watts)				
Total load in the premises (in	3000 W			
watts)	1			

(a) Details of any apparatus (other than the above mentioned) should be given.	
(a) Details of any apparatus (other than the desire them.)	
(b) Rating of capacitor used in Induction Motor and Welding	
Transformer (Test report of capacitor is to be enclosed) KVAR
