Sir,

It is to inform that the residents of CBI Quarters, Mawdiangdiang received their second bill (in physical form post conversion to post-paid) on 11.10.2025. The anomalies in the existing bills (1st Bill post conversion to post-paid) in respect of most of the consumers/ residents have since been rectified and reflected in their Bills dated 11.10.2025. All such consumers are now satisfied and have almost all of them have already cleared all their pending bills. However, the bills of few residents (consumers) have not been rectified/ recalculated yet and anomalies in such bills still exist. These few consumers/ residents have once again raised their genuine grievances against unjustified high billings. The said consumers have once again submitted their grievances & calculation sheet to this office. The details of such consumers and the anomalies in their respective bills as grievanced by them are as below:-

2.	Shri Brajen Chaliha, CBI Type II Quarter 4 (Vacated Long Back after attachment to Guwahati)	1000860363	3 KW	12.08.2024 to 04.11.2024	3 X 90 X 2 = 540	164.00	164.00 X 5.10 = 836.40	1,376.40	5058.00
