and the other two were not able to be used  
because they had to move every six months due to  
new developments in their work. In addition, the  
two individuals who had been assigned to the project  
had to leave because they did not have enough  
time and a different position at their school to dedicate  
to the project. This is why I am writing to you to see if you  
would consider allowing me to continue my research  
on a part-time basis to help my students.
