Agreement for supply of electricity Low Tension

An agreement made this the ____ day of ____ of 20____ between _____ and the consumer and assign (hereinafter referred to as the consumer) of the one part and the Maharashtra Power Distribution Corporation Limited an electricity distribution licensee under the EA 2003 and its subscribers and assigns (hereinafter referred to as the Distribution Utility / MePDCL) of the other part.

Note: The term 'consumer' includes an individual person (whether male or female), a body of persons, a company, society, firm, association or corporation.

Whereas, the consumer has applied to the distribution utility for supply of electricity to the premises and the distribution utility has agreed to give the supply under the terms and conditions hereinafter appearing.

Now, Therefore, the agreement witness -

- (1) That the supply shall be given to the premises located in Mumbai with the consumer as owner / occupier of _____
The load served shall not exceed 3 kva watts.
- (2) That the provisions of the EA 2003 and the regulations, rules and orders including tariff orders as may be made from time to time by the MSEB that apply will bind the consumer and the distribution utility alike.
- (3) That the consumer shall regularly and timely pay to MePDCL all charges as may be due for the supply of electricity.
- (4) That the agreement shall be in period of two years and may be renewed for further period.
Provided that supply shall not be terminated by mere efflux of time if the consumer is willing that the agreement is renewed.
- (5) That the agreement shall be terminated if the consumer on its part decides it so and gives to the MePDCL a prior notice of not less than one month i.e. on the part of the MePDCL if the consumer has violated any of the terms and conditions of the agreement.

Provided that on the part of the MePDCL notice shall be given to the consumer stating the reasons for the proposed termination and giving him opportunity to state his case and his statement, if any, duly considered before the agreement is terminated and the supply of electricity cut off.

(7) The terms and conditions of this agreement shall be effective from the date of supply of electricity is commenced.

BE WITNESS WHEREOF the parties herein have set their hands and seals the date,
month and year first above written.
