Subject: Request for 5 kW Electricity Connection for Health Sub-Center.

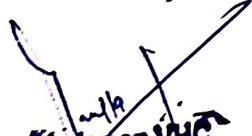

Respected Sir/Madam,

Concerning the subject cited above , we from the V.H.C Umsiang Mawpdeng would like to bring to your kind notice for the urgent need of a 5 kW electricity connection for the Umsiang Health Sub-Center located in Umsiang Village which is under construction.

Currently, the Health Sub-Center does not have an electricity supply, which is severely affecting its functioning. The proposed 5 kW connection is necessary for uninterrupted healthcare services for the Health Sub Center.

Kindly treat this request as urgent and process the new connection at the earliest convenience.

Thank you for your prompt attention to this request.
