II	The HT metering cubicle is to be installed at main entrance of your premises preferably within independent entrance so as to have easy access to BESCOM staff. The tapping GOS shall be placed outside the premises.
I	Prior approval for makes of distribution materials used in the 11 KV line like 11 KV GOS, pin / disc insulators etc. shall be taken in writing from the jurisdictional engineer. The construction shall conform to approved BESCOM standards.
J	As per the O.M of GM (Ele.) CA BESCOM B'lore vide O.M No. BESCOM/BC-16/332/2011-12/6685-99/dtd. 9.11.11 You are requested to obtain inspection report for all the materials procured for execution of work, from the jurisdiction Executive Engineer (Ele)/Asst. Executive Engineer Sub-division before commencement of work

C) You have to forward the following documents to jurisdictional Executive Engineer, O&M Division.

A	Execute HT power supply agreement in the prescribed form in triplicate, original duly stamped on Rs:- 200/-
B	Submit the contractors completion_ cum_ test report along with lists in duplicate of machinery you intend power. The capacity of any individual equipment / machinery installed / connected shall not be more than the contract demand.
C	Execute an agreement on Rs:-100/- stamp paper for executing the HT line as per Corporation specifications and sanctioned estimate. The work order is valid initially for 3 months for executing the service line work.

D) For servicing the HT installation, you have to submit the following:

A	Approval of Electrical Inspectorate for commissioning the HT service line (including RMU's cables), your transformer etc.,
B	Pre-commissioning tests conducted on HT metering cubicles of MRT Division of BESCOM which will be arranged by jurisdictional BESCOM Bangalore.
C	These statements of material listed in sanctioned estimates giving make/ quantities duly signed by you for taking over by BESCOM for maintenance.
D	Approval of Electrical Inspectorate in case the height of your building is above 50 Ft measured from ground level to top roof (if applicable)
E	Kindly note that arranging the metering cubicle / approvals etc., would take time and hence your early action to pay the deposits etc., and observance of the above formalities will help BESCOM to arrange the power supply when you need. You may please contact this office or jurisdictional Executive Engineer, El, for any clarification.

Note: Occupancy certificate should be produced by consumer before service

Yours Faithfully,

Executive Engineer (Ele)
(C, O&M) Division, BESCOM
