POWER SUPPLY AGREEMENT FOR SUPPLY OF LOW TENSION ELECTRICAL ENERGY

Please write or type below this line

An Agreement made this.....between the -BANGALORE- ELECTRICITY SUPPLY COMPANY LTD, a body constituted by the Government of Karnataka
hereafter called the 'LICENSEE' which expression, wherever the context so admits shall include its successors and
herein after called as the 'CONSUMER' which expression, wherever the context so
admits shall include its successor, successors in business and assigns, heirs, executors and administrators of the other part. Whereas at
request of the Consumer, the Licensee has agreed to supply to the Consumer electricity for the purpose ofin his her/it's premises at
.....for purpose within the premises.

1. DEFINITIONS:

In this Agreement, unless the context otherwise requires:

- "Act" shall mean the Electricity Act, 2003 or such other enactment governing the supply and use of electrical energy as may be in force from time to time.
- "Conditions of Supply" shall mean the "Conditions of Supply of Electricity of Distribution Licensee in the State of Karnataka" approved by the Karnataka Electricity Regulatory Commission and as amended from bonafide time to time.
- "Commission" means the Karnataka Electricity Regulatory Commission.
- "Street" includes any way, road, lane, square, court, alley, passage or open space, whether a thoroughfare or not, over which the public have right of way, and also the roadway and footway over any public bridge or causeway;

2. CONDITIONS OF SUPPLY:

Statutory Alert:

- The authenticity of this Stamp certificate should be verified at 'www.shcilestamp.com' or using e-Stamp Mobile App of Stock Holding. Any discrepancy in the details on this Certificate and as available on the website / Mobile App renders it invalid.
- The onus of checking the legitimacy is on the users of the certificate.
- In case of any discrepancy please inform the Competent Authority.

a. The Licensee shall supply electrical energy to the aforesaid premises of the Consumer from its distribution system. The energy so supplied shall be taken from the Licensee, electricity required for the purpose of the "Conditions of Supply" under classification of supply and the Consumer shall take from the Licensee, electricity required for the purpose of the premises mentioned hereto, for the bonfire use of the Consumer.

b. Electrical energy supplied to the premises shall not be utilized by the Consumer in any manner prejudicial to the Licensee and all usage must be confined to such method or methods approved by the Licensee. The use of power must be confined to such places as shall have been previously approved by the Licensee. In case prejudicial use of power is detected, the Consumer shall pay penal charges in accordance with the provisions of the "Supply" as in force from time to time. Besides, for dishonest abstraction / use / consumption of electricity or interference with the meter and accessories, the Consumer shall also be liable for prosecution under the Act and any other law for the time being in force, and the installation, disconnection.

c. The Consumer shall permit the Licensee, free of cost, to erect posts, distribution lines, structures, equipments, cables and other apparatus, supply of electrical energy under this Agreement over the land belonging to, or in the possession of, the Consumer.

d. The Consumer agrees to take supply under any conditions of restrictions of load and time that may be fixed by the Licensee from time to time. The Consumer shall pay fixed charges under this Agreement in full notwithstanding such restrictions.

e. The supply is liable to be restricted, staggered or cut off altogether, as the case may be, if the power position or any other emergency requires. The Licensee reserves the right to periodical shutdown, as and when required, for the purposes of routine maintenance or in the course of action. The Licensee shall not be liable to pay any damages or compensation in connection with loss of life or property arising, occurring or resulting from such shutdown.

f. From the date of commencement of supply as defined in the "Conditions of Supply" until termination of agreement, the Consumer shall not be entitled to take supply from any other source.

g. Subject to the provisions of the Act, the "Conditions of Supply" and any other law for the time being in force, the supply under this Agreement shall stand automatically renewed from year to year thereafter, for a period of two years from the date of commencement of supply and shall stand automatically renewed for a period of either of the parties. However, in case of the period of agreement shall be for a period of days/weeks/months which period may be extended by the Licensee at the request of the Consumer. The power supply shall be discontinued on the expiration of the stipulated period unless a requisition is received for extension of the period, and such further deposit as may be demanded by the Consumer before the expiry date.

h. Without prejudice to the rights and liabilities of the parties in respect of any matter antecedent to termination either party to this Agreement shall be liable to pay any damages or compensation in connection with loss of life or property arising, occurring or resulting from such shutdown.

i. The Licensee shall not be liable to pay any damages or compensation in connection with loss of life or property arising, occurring or resulting from such shutdown.

j. The industrial / I.P. Set Consumer shall obtain written permission from the Licensee for any changes to be made in the equipment, machinery or installation installed by him at the time of servicing though his sanctioned load does not exceed due to such change.

k. In case of street light installations, the maintenance of lamps and fixtures shall be carried out by the Consumer himself/herself/itself.

l. Where the Consumer is required to obtain a license or permit or 'No objection certificate' for running his Industrial / commercial concern, the Licensee shall have the right to discontinue power supply during the period when the License or permit is cancelled or suspended or the 'No Objection Certificate' issued by the competent authority has expired.

3. METERS:
The energy supplied shall be measured and registered by a meter or meters in or upon the said premises to be provided, fixed and kept in proper working order by the Consumer.

4. SECURITY DEPOSIT:
The Consumer, on a request made by the Licensee in this regard, shall renew or replenish all security deposits in the event of the same becoming insufficient.

5. TARIFF AND PAYMENT OF ELECTRICITY CHARGES:
From the date this Agreement comes into force, the Consumer shall be bound by, and shall pay the Licensee, fixed charges, energy charge and security deposit in accordance with the tariffs approved by the Commission and the "Conditions of Supply" of the Licensee from time to time. In case even after disconnection, if the dues remain unpaid, then the Licensee shall be entitled to take recourse to the provision of the "Conditions of Supply" and other laws for the time being in force to recover the arrears.

6. DISCONNECTION FOR ARREARS AND RECONNECTION:
In case the Consumer fails to pay the charges due for the electricity supplied within the due date, the Licensee shall be entitled to cut off the supply of electricity giving due notice as provided in the Act and "Conditions of Supply" and power supply shall be restored only on payment of all arrears including reconnection charges as stipulated from time to time in the "Conditions of Supply".

7. CONTINUITY OF POWER SUPPLY:
The Licensee shall take all reasonable precautions to ensure continuity of supply of power to the Consumer at the point of commencement of supply. However, the Licensee shall not be liable to the Consumer for any loss due to the interruption in the supply of power by reason of damage to the Licensee during war, mutiny, riot, strike or by earth-quake, hurricane tempest or any accident or causes beyond the control of the Licensee.

8. ENTRY INTO CONSUMER'S PREMISES:
The Licensee shall have access to the premises of the Consumer at all reasonable times without notice for meter reading, inspection, testing or other purpose incidental to, or connected with the proper maintenance of supply.

The Licensee shall have access to the premises at any time for inspection, if there is any reason to suspect breach of the provision of this Agreement and the "Conditions of Supply".

If the Consumer, his agent, employees or anyone else purporting to act on his behalf attempts to obstruct or impede the Licensee or its authorized person in this regard, the Licensee shall be entitled to immediately cut off power supply. The Consumer shall also be liable to pay damages or compensation in connection with loss of life or property arising, occurring or resulting from such shutdown.

9. ASSIGNMENTS OR TRANSFER OF THE BENEFIT OF THIS AGREEMENT BY THE CONSUMER:
The Consumer shall not, without the previous consent in writing of the Licensee, assign, transfer or part with the benefit of this Agreement or in any manner part with, or create any partial / separate interest in it.

10. APPLICATION OF THE PROVISIONS OF THE ACT AND THE "CONDITIONS OF SUPPLY":
In all matters not herein specifically provided for, the provisions of the Act, the "Conditions of Supply" and other laws for the time being in force shall apply.

11. SAVING CLAUSE:
Nothing contained in this Agreement or any amendment thereof shall restrict any rights and obligations, which the Licensee or the Consumer may have under any legislation relating to supply and consumption of electricity enacted during the period of this Agreement.

In witness whereof, the Licensee through its duly authorized representative and the Consumer have executed this Agreement on the day and date above written.
