Dear All,

For all new deposit work consumers pending in UGO, please follow the steps outlined below for activation, as per the instructions provided by the Idea Team.

Step 1 Create new application**Step 2 Field Verification****Step 3 Estimation****Step 4 Create ticket with the following details****Application no :****Payment date :****Security deposit amount :****Service connection amount:****Date of connection:****Uploading of Payment receipt or acknowledgement receipt that matches with the Estimate Amount(Sample attached)****Step 5 Idea team will update the back dated payment****Step 6 After updating the payment date the same steps can be followed as per normal new service procedure till the completion report stage. In this case the connection date can be backdated till the payment date.****Note Please find attached the document sample to be uploaded in iticket**

Dear Madam,

I could not complete the meter calibration. . Meter Connected Date does not allow date selection before November , 2024.

Thanks & Regards,

W.Warjri
Assistant Executive Engineer,
Killing Distribution Sub-Division,
MePDCL, Bymihat
