

No. MePDCL/AEE: RSD-I/Rev-04/2025-26/565

Dated the 14/Apr/25 2025.

To,

The Assistant Executive Engineer,  
MIS, MePDCL,  
MePDCL, Shillong.

Sub: - Request for Change of Connection Status from DP\_CR (Close) to Inservice.

Sir,

With reference to the subject cited above, kindly find enclosed the applications for the permanent disconnection of power supply as submitted by the respective consumers. It may be noted that, after thorough scrutiny of all necessary documents and upon compliance with the No Dues Certificate (NDC) procedures, the disconnection fees were raised and duly paid by the consumers, following which the connection status was changed from *Inservice* to *DP\_CR (Close)*.

However, during the course of physical disconnection at the premises, objections were raised by the current occupants, stating that the disconnection could not be carried out due to an ongoing dispute, which is presently sub judice.

The details of the connections are as follows:

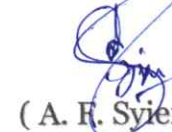

| Sl. No. | Consumer name & address                   | Consumer No. | Remark |
|---------|---|--------------|--------|
| 1       | Hare Prasad Upadhaya, Lumparing, Shillong | 1000796147   |        |
| 2       | Gayatri Roy, Rilbong, Shillong            | 1000797961   |        |

In view of the above, and considering the legal implications involved, I kindly request you to revert the connection status from *DP\_CR (Close)* to *Inservice* until the dispute is resolved.

This is for favour of your information & early necessary action.

Encl.:- As stated.

Yours faithfully,

( A. R. Syiemlieh )

Assistant Executive Engineer,  
Revenue Sub-Division-I,  
MePDCL, Shillong.
