Subject: Request for Conversion of Electricity Connection from Free Category to Gruha Jyoti Scheme

Respected Sir/Madam,

I, Dr. Sridhara T, resident of the above-mentioned address, hereby request the conversion of my household electricity connection to the Gruha Jyoti Scheme.

We have recently purchased the house from Sri Nagaraj, who is working in KEB, and the electricity connection has already been officially transferred to my name as Sridhara T, S/o Thippeshappa K.

The details of the electricity connection are as follows:

RR Number: **SHAEH34796**

Account ID: **4498160**

Monthly Consumption: Approximately 200 units

Earlier, we had availed the Gruha Jyoti subsidy under another account, which has now been delinked. Therefore, I kindly request you to link the above-mentioned Account ID (4498160) to the Gruha Jyoti scheme and update the connection accordingly.

I request you to kindly process the same at the earliest and do the needful.

Thank you.

Yours faithfully,

Dr. Sridhara T
