Dated, Shillong the 24th July, 2025

To,

The Assistant Executive Engineer
Revenue Sub Division I
MePDCL, Shillong.

Sub: Wrong Entry of consumer meter number- correction thereof and adjustment of correct dues.

Sir,

With reference to the subject cited above, the office of the undersigned had received a complaint raised by a consumer viz. Manjula Purkayastha (ID: 1211000248) - regarding non availability of power supply at the meter output and that the consumer had not received any Electricity bill for a period of time.

In this regard, a Preliminary investigation of the meter being conducted indicates that the output link is opened (Disconnected). Upon, thorough investigation and by way of cross-verification with the UBS system on the 10th July, 2025; it was found that the meter number '11045379' which belongs to Manjula Purkayastha was assigned to Beat Forest Officer (ID: 1000855603) which by then the accumulated outstanding dues of - Rs.37569.00 is shown against Consumer ID: 1000855603 (which actually was the accumulated dues belonging to Manjula Purkayastha vide ID: 1211000248, on account of consuming meter No. 11045379). Subsequently, a meter change correction is being carried out from this end, but the issue remains unsolved due to the following reason: -

1. The link for meter number- 11045379 could not be closed and power supply is being bypassed temporarily.
2. The accumulated dues of - Rs. 37569.00 is to be adjusted against the Consumer ID: 1211000248 (instead of ID: 1000855603), so that finalization/ liquidation of- dues by the consumer can be taken up.

Therefore, I would like to request you to kindly take up the matter from your end at the earliest possible.

Yours faithfully

(J.P. Wahlang)
