To.
The Assistant Executive Engineer,
BESCOM – Chandapura Sub-division,
Chandapura,
Bengaluru – 562106

From, M/s Lakshmi Bricks & Tiles, No 369/328/52/2, Hebbagodi, Huskur Gate, Attibele Hobli, Anekal TQ, Bengaluru – 560105.

Dear Sir/Madam.

Subject: Grievance Application on Fixed Charges with respect to RR No: CDPHT-854 and RR No: CDPHEV8.

I have an HT (High Tension) connection sanctioned for a Total Contract demand of 200 KVA for RR No. CDPHT-854. A Sub-meter for this HT connection has been taken for the purpose of Electric Vehicle Charging Station.

I am receiving a separate electricity bill monthly for this Sub-meter from BESCOM for RR No. CDPHEV8. This RR No connection is having a Sanctioned load of 35KW and the Type of Connection: Electric Vehicle Charging – LT6C.

The Fixed Charges are:

- A) For RR No: CDPHT-854, The Total Contract Demand is 200KVA. So, for 90% of Contract Demand i.e., every month I have been paying Fixed Charges for 180KVA at the rate of ₹365/KVA/Month.
- B) For RR No: CDPHEV8, The Sanctioned load is 35KW. So, for 35KW every month I have been paying fixed charges for 35KW at the rate of ₹70/KW/Month.

Even though, I have taken Sub-meter connection for the purpose of Electric Vehicle charging station from the main HT Connection, I am being asked by BESCOM to pay Fixed charges every month for both RR No: CDPHT-854 and RR No: CDPHEV8.

Hence My prayer to BESCOM is:

- Either to Cancel the Sub-meter RR No: CDPHEV8 and give my Sub-meter Energy Consumption reading in HT Main meter RR No: CDPHT-854 electricity bills with effect from next month. OR
- To reduce the Contract demand in the HT Main Meter connection RR No: CDPHT-854 by total load sanctioned for Sub-meter RR No: CDPHEV8.

So, I request you to kindly resolve my grievance as soon as possible. Thank you for your co-operation

Your's faithfully,

Pince: Bengaluru.
