Dear Sirs,

Greetings from University of Science and Technology Meghalaya!

This has reference to bill no 26030500174831 against consumer id 1000345252 and bill no 26030515140459 against consumer id 2213000031 due for payment to you today. We are writing this mail to you to request you for allowing payment by date of 31st March 2026 due to some financial constraints caused by non payment of fees by many students. The financial situation shall be adequate to make the full payment by 31st March 2026.

Therefore, you are kindly requested to allow us the time as a special situation. Your help will be highly appreciated for the smooth operation of the University functions.

Thanking you in anticipation.
